BBBEE IN MOTION

On the 10th of June we will be hosting a B-BBEE Symposium in Cape Town. By attending this event you not only get to participate in B-BBEE conversations with companies such as Rekindle Learning, the SABC, Fairtrade Label South Africa and Gamiro Investment Group but you will also receive a BBBEE certificate and Public Benefit Organisation (PBO) Tax Certificate from the UBUNTU Foundation which can be used to increase your B-BBEE scorecard as well as to deduct the amount donated for income tax purposes.

You will get a chance to rub shoulders with accomplished business executives, while discovering how to:

1. Ethically implement the revised codes of good practice (“codes”) in your business
2. Grow your business within the framework of the revised codes
3. Ensure the long term sustainability of your business legacy within the codes
4. Absorb real life examples and model success

Since we know that parking in the CBD area can be a burden, we would like to offer free parking to the people who have booked first. We only have a limited amount of parking spots available, so this is on a first come first serve basis.

As a quick reminder, the details for this event is:

Day: June 10th

Time: 8:30am

Place: Cape Town Club

If you haven't already, make sure to add this to your calendar. Get excited, because this event is going to be great!
