#### 2. DISCUSSION

The Bill introduces the amendments as follows:

- 2.1 **Clause 1** amends section 11 of the Act in order to provide for the compilation of a *pro forma* timetable for the elections.
- 2.2 **Clause 2** amends section 14 of the Act in order to provide for the submission of an undertaking binding the party, its candidates, persons holding political or executive office in the party, its representatives, members and supporters, to the Code, as well as the submission of a declaration that none of the candidates on the list is disqualified from standing for elections.
- 2.3 **Clause 2** also effects certain technical amendments to section 14(1)(b), (3)(b) and (4) of the Act, and in subsection (5) provides that the Commission must remove from a party list the name of a candidate that has not submitted outstanding documents and also the name of a candidate who is not registered as a voter.
- 2.4 **Clause 3** inserts section 14A in the Act in order to provide for the central payments of deposits. The clause further provides that payments must be made by bank guaranteed cheque before the cut-off time for submission of party lists, specifying the details of each municipality to which the deposits apply.
- 2.5 Clause 4 amends section 17 of the Act in order to, amongst others, provide that a candidate must submit a prescribed undertaking declaration to be bound by the Code, as well as a prescribed declaration signed by the candidate that he or she is not disqualified from standing for election in terms of the Constitution of the Republic of South Africa, 1996 or any applicable legislation.
- 2.6 **Clause 4** further seeks to provide that where one or both documents required together with the nomination are not submitted, the Commission must notify the nominating party or person concerned in writing by no later than the date stated in the election timetable, and further allow the nominating party or person to submit the outstanding documents by no later than a date stated in the election timetable. Furthermore, the clause provides that the Commission must accept a nomination if the provisions of sections 16 and 17 have been complied with and if a candidate is registered as a voter in the relevant municipality's segment of the voter's roll.
- 2.7 **Clause 5** amends section 21 of the Act in order to make provision to empower the presiding officer, after consultation with party agents and members of the security services present **at** the voting station, to re-determine and re-

demarcate the boundary, should this become necessary in order to ensure proper control and security at the voting station.

- 2.8 **Clause 6** amends sectiop 39 of the Act in order to make provision for sufficient agents, if voting at a voting station takes place in more than one room or separately enclosed area, i.e., two agents in respect of each area or room, in a case of a party contesting an election, and one agent, in a case of an independent ward candidate.
- 2.9 **Clause 7** amends section 48 of the Act in order to, in addition to persons with physical disability, include persons with blindness or other visual impairment to be offered assistance by any person other than the presiding officer. #### 5. PARLIAMENTARY PROCEDURE

- 5.1 The State Law Advisers and the Department of Home Affairs are of the opinion that the Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution since it contains no provision to which the procedure set out in sections 74 or 76 of the Constitution applies.
- 5.2 The State Law Advisers are of the opinion that is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No, 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
