Dear Comrades

Invitation to Participate in the Inaugural Annual Bheki Mlangeni Memorial Lecture

The Bheki Mlangeni Foundation would like to invite your organisation to attend the Bheki Mlangeni Memorial Lecture to be held on 18 August 2017 at 18:00, at the Great Hall (Braamfontein East Campus), University of the Witwatersrand (Wits University). The Bheki Mlangeni Foundation cohosts this inaugural edition of the memorial lecture with Wits University.

Furthermore, we are excited and welcome your organisation's commitment to partner with us in presenting and promoting this memorial lecture. Thus, we request that a representative from your organisation introduce the memorial lecture by reflecting briefly on Bheki Mlangeni's contribution in the student struggles of the 1980s. Also, please help promote the lecture among your peers and other relevant activists. We believe that such contribution from your organisation will make this event memorable, and a befitting honour for one of the finest leaders to emerge from the student movement.

The Annual Bheki Mlangeni Memorial Lecture is an educational programme of the Bheki Mlangeni Foundation that promotes the legacy of the late Bheki Mlangeni. Mlangeni's legacy is defined by the things that mattered to him the most: the struggle for human rights, social justice, access to education, and to end apartheid oppression, and to uplift and develop marginalised communities.

We are convinced that, in a long run, your organisation will find a relationship with the Bheki Mlangeni Foundation rewarding.

If you require to communicate further with us, please be at liberty to contact Mr Thamsanqa Mzaku on either 0832455842 or info@bhekimlangenifoundation.org.za.

We enclose the profile of Bheki Mlangeni Foundation, and the political profile of the late Bheki Mlangeni for your perusal.

Thank you.

Yours comradely
