

THE CATHOLIC PARLIAMENTARY LIAISON OFFICE

Cordially invites you to join a panel discussion on:

"Aligning Policies for a Low Carbon Economy: South Africa's Commitment to a Just Transition"

President Cyril Ramaphosa has appointed members of the Presidential Climate Change Co-ordinating Commission (P4C) with effect from 17 December 2020. The mandate of the Commission is to co-ordinate the just transition to a low carbon climate, a resilient economy and society by 2050. The webinar will help us understand the role of the commission in implementing South Africa's Low Emissions Development Strategy and the revised National Waste Management Strategy 2020.

*Speakers: **Mr Terence Creamer** of **Creamer Media** and **Mr Mactavish Makwarela** from the **National Department of Environment, Forestry and Fisheries***

Date: Thursday, 29th July 2021
