**MEMORANDUM ON THE OBJECTS OF THE PROVISION OF
CERTAIN LAND FOR SETTLEMENT AMENDMENT BILL, 1998**

1. The Bill seeks to amend the Provision of Certain Land for Settlement Act, 1993 (Act No. 126 of 1993) ("the Act").

2. The objects of the Bill are the following:

2.1 Clause 1 seeks to delete the definitions of "Administrator" and "development body". These words have become obsolete and definitions thereof are therefore unnecessary. Clause 10 proposes the substitution for the word "Administrator", wherever it occurs in the Act, of the word "Minister".

2.2 Under section 2 of the Act the Administrator has the power to designate certain land for settlement in terms of the Act. Clause 2 seeks to amend section 2 of the Act so as to confer that power on the Minister and to give the Minister the power to make the laws governing the subdivision of agricultural land and the establishment of townships applicable to designated land.

2.3 In terms of section 3 of the Act the Administrator must publish in an Afrikaans and an English newspaper a notice calling upon interested parties to submit representations before he or she may designate any land. Clause 3 seeks to—

- (a) impose that duty on the Minister;
- (b) omit the reference to Afrikaans and English; and
- (c) confer upon the Minister the power to direct that no publication is necessary if no substantial change in land use is likely to occur as a result of any proposed settlement in terms of the Act.

2.4 Clause 4 seeks to extend the exemption from transfer or stamp duty to all transactions in respect of land under the Act.

2.5 A number of problems are experienced when section 10 of the Act is applied, and clause 5 seeks to set out in greater detail the circumstances under which the Minister may grant advances or subsidies. It also seeks to extend the financial assistance which may be rendered for the acquisition, development and improvement of land. In clause 6 it is proposed that the Minister may dispose of land which is no longer required for the purposes of the Act.

2.6 Clause 7 seeks to repeal sections 12 and 13 of the Act. Section 12 refers to an Act which has already been repealed and section 13 regulates the application of the Act in the former self-governing territories.

2.7 Clause 8 seeks to empower the Minister to delegate certain powers conferred upon him or her by the Act, to functionaries in the provincial and local spheres of government.

2.8 Since the circumstances under which the Minister may grant advances and subsidies are to be extended, the short and long titles of the Act will have to be amended (clauses 9 and 11).

2.9 Since the Act does not apply in those areas of the Republic which formed part of the TBVC states, clause 12 seeks to extend the Act throughout the whole of the national territory of the Republic.

3. The Department of Finance (Inland Revenue) was consulted.

4. Parliamentary procedure

The State Law Advisers and the Department of Land Affairs are of the opinion that this Bill must be dealt with in accordance with section 75 of the Constitution since it contains no provision to which the procedure set out in section 74 of 76 of the Constitution applies.
